Permission for School Administration of Prescription Medication

Medications should be administered by a parent or guardian before or after school hours, when possible. Initial doses of a medication that a child has never taken before should not be given at school. Medication to be given at school should be accompanied by this form, completed with the prescribing physician's signature, and provided to the school in the original labeled container provided by the pharmacist who filled the prescription. "Sample" medications must be provided in a container that appropriately identifies the medication and must be accompanied by a note signed and dated by the prescribing health care provider that includes the student's name, directions for proper administration, and the name, address, and phone number of the prescribing health care provider.
